Custom Designs

Want a custom look to your pontoon? We can take your photograph, business name or art work and print it on your pontoon fences. Durable, outdoor print on an ultra tough poly surface gives you the custom design look that makes your pontoon unique. No more dents in your pontoon fences. Guaranteed not to crack, dent or break under warranty period. Want a fresh look to your fences? We can change the color, design, graphic without spending a fortune.

Pontoon Furniture

Grumman designs, sews and assembles our pontoon furniture in-house. This control ensures a top quality product while reducing costs.

Grumman Pontoon Furniture employs Reflex Plus™ Performance Cushioning material for unmatched comfort and resiliency as well as superior height and firmness retention. This cushioning material contains an FDA-approved antimicrobial additive which inhibits the growth of bacteria and other microorganisms which can cause discoloration, unpleasant odors and accelerated degradation. With it's unique open-cell, quick draining design, Reflex Plus™ Performance Cushioning combines with our rugged, easy-to-clean, long lasting, UV stabilized vinyl topcoat to give your Grumman Pontoon furniture package superior life, good looks and performance.

Reflex Plus is a trademark of Foamex L.P.

Our Warranty

Our warranty is simple. All Grumman pontoons have a five-year bow to stern limited warranty against defects in workmanship and materials.*

In addition, the following warranties against defects in and workmanship and material also apply:

- Aluminum: All welds, fences, supports, tubes and motor wells have a limited lifetime warranty to the original owner.
- Carpet: All carpet has a 5-year limited warranty.
- Furniture: All furniture has a 5-year limited warranty.
- Decking: The decking has a limited lifetime warranty.
- Furniture bases: All bases have a 5-year limited warranty.

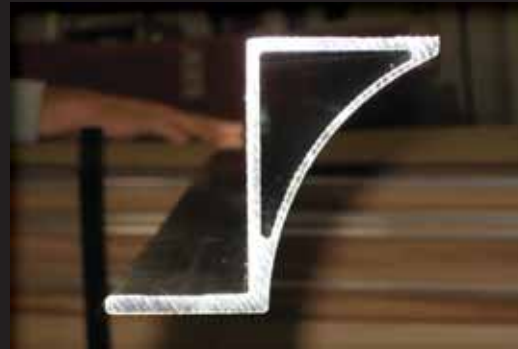

- Covers and bimini: Recacril has 5-year warranty. All other fabric materials have a 3-year warranty.
- Limited warranties that are offered and covered by product suppliers are subject to the terms and conditions of the suppliers.

The original owner may transfer the warranty within ten years of the original purchase. The new owner must register with Marathon Boat Group within 30 days of purchasing the pontoon boat. This gives the new owner the remainder of the original owner's warranties, except for the lifetime warranty which becomes a limited 10-year warranty. See your dealer for complete warranty information.

*Excludes options, 22 oz. carpet, or warranties offered by product suppliers.

Automatic Seam Welder

Water Management System

Fence Wall Aluminum or Polyplastic

M Brackets and Spray Hood

Grumman®

Grumman® is a registered trademark of the Northrop Grumman Corporation. All Grumman Pontoon boats meet or exceed all safety standards established by American Boat and Yacht Council (ABYC). Dimensions, capabilities, ratings and additional specifications plus complete warranty and service information are available from your dealer. All product illustrations and data within this catalog are based on information available at the time of publication. Hull weights are approximate. Due to publishing errors, on-going product modifications and/or component part availability, the manufacturer reserves the right to make changes without notice or obligation. You are advised to consult your local dealer for the most current product specifications prior to purchase. Some of the equipment shown separately or on products illustrated in this catalog may be optional at extra costs.
